The Niagara Peninsula Sports Mouthguard Program

Kamatovic Orthodontics presents the Niagara Peninsula Sports Mouthguard Program. THE PROGRAM is a co-operative effort between Kamatovic Orthodontics and many dentists in the Niagara Region to provide a valuable community service.

The mandate of THE PROGRAM is to reduce the risk of injury to the lips, mouth and teeth during athletic competition. Patients have experienced the benefits of professionally fabricated custom-made mouthguards, in many cases, at prices less than store bought “boil and bites”!

Check out kamatovicortho.com for information about events, clinics and to see if your dentist participates on THE PROGRAM!
